Patients and Siblings are Headed to Summer Camp

The CBC helps to support our patients and their siblings at both week long overnight and day camps every summer. The campers enjoy time spent outdoors at Camp Can Do, Camp Sunrise, Double H Ranch Camp and The Whole In the Wall Gang Camp where they participate in activities such as swimming, arts & crafts, ropes course, boating, fishing and evening activities & campfires.

For the first time this summer, some of the teen patients are traveling to Camp Barrettstown in Ireland and a few young adult patients are going to Survivor Summit.

Help support our Pantry

We need food, personal & household items to stock our pantry where families can shop when they don't have the time or resources to go to the store.

Amazon Pantry Wish List

Have a group or business that would like to help? Reach out to us and we will get you set up.

Tee Sign Sponsorships Still Available

If you own a business and want to advertise at our upcoming golf outing, we have a great opportunity for you!
